BIOGRAPHY

MARDHYS explained to:

A 9 year old

She writes songs, she plays flute and guitar and she has a band with musicians from all over Europe. Living in London and growing in life, The Dutch Melatti formed MARDHYS with the intention to make you experience your rich inner self in a slightly mysterious but cheeky way.

A non musician

There is a lot happening in the world of MARDHYS. You'll find both complexity and serenity blent into an exotic mix in every layer of their music.

A 75 year old

Remember the best bits of all of your travels and now imagine this translated into sound. That's what MARDHYS will do, they'll make you feel your best kept memory.

PLANS

Since autumn 2018 MARDHYS is in the preproduction phase of their first album, working alongside producer and sound technician Marcel van Limbeek (Tori Amos) and producer and bassist Lester Salmins (George Ezra).

REVIEWS

"MARDHYS tells unusual and mysterious folk tales with atmosphere, energy, rhythm and enchanting harmonies. They take you on a journey into the long forgotten dark woods and leave you wondering how you will find your way home."

- Simon Gogerly, Grammy Award winning producer

"It is always a pleasure working with Mardhys; the clever arrangements and heart-felt narratives really do transport you into their world, when in rehearsals for studio and live"

- Kieron Pepper, Head of Artist Development ACM / Ex-drummer of The Prodigy
